

Karnivoren Liste 2017/1

Die angebotenen Sarracenia werden, wenn nicht anders beschrieben, ausschließlich durch Teilung vermehrt. Die einzelnen Pflanzen sind begrenzt verfügbar. Die Bestellungen werden nach der Reihe (Bestelleingang) ausgeführt. Pflanzen die nicht mehr verfügbar sind können sofern gewünscht in eine Wunschliste für das Folgejahr eingetragen werden. Die Preise beziehen sich auf blühfähige Pflanzen. Wir behalten uns vor Preise zu reduzieren wenn die Pflanzen nicht der von uns gewünschten Größe entsprechen.

Die Pflanzenliste wird regelmäßig überarbeitet und erweitert. Vorherige Preislisten verlieren ihre Gültigkeit.

Pflanzen mit vermutlich gleichen Ursprung bzw. Klon, sind farblich hervorgehoben (Grün). Die Beschreibungen der Pflanzen sowie deren Quellen werden ständig nachbearbeitet und vervollständigt. Die Pflanzen werden nach bestem Wissen bestimmt.
